Assistant Commissioner for Patents
Washington, D.C. 20231RESPONSE UNDER RULE 1.111

In response to the Official Action dated October 10, 2001 the applicant requests amendment and reconsideration of the above identified application. A substitute specification and claims, and a marked up copy of the specification and claims, are enclosed. A request for a two month extension of time and a Statement under 37 CFR 3.73(b) are also enclosed.

REMARKS

The specification has been amended to conform to United States patent practice and idiomatic English usage, and for the sake of clarity. In particular, the heat sink is recited as "attached to a portion of a surface of at least some leads in the" plurality of leads, as shown in the drawings, rather than "mounted" on or under "the" leads. Recitation of "bonding wires" in all the claims, and of the "upper mold" in the apparatus claims, have been deleted as being
